# SAY HELLO TO John & Sharon

## JOHN & SHARON MAHONEY, RESIDENTS

John and Sharon Mahoney previously lived in a community with a lot of stairs, which they knew would not be conducive to their needs as they continued to age. They decided to check out Renaissance North Tampa and were impressed by the beautiful outdoor setting with a pond, as well as the spacious living spaces.

What they didn't yet realize was how much fun they'd have by getting involved in activities after moving into the community. From playing bingo and watching horse races to attending happy hour and listening to live music, the couple has taken advantage of the vibrant Renaissance lifestyle. "They do different games and social events to keep our minds going so that's good for us," Sharon said.

They both agree that the people at the community are a big part of what makes it so special. "We're comfortable here. The staff as a whole is very nice and that's what makes a big difference," John said. It's a common sentiment and Sharon sums it up nicely: "The people are great. We haven't met anybody we don't like."
